Title: Canva: Visual Suite for Everyone

The screenshot displays the Canva homepage with a clean, modern design. At the top, the Canva logo is on the left, and navigation links for Design, Product, Plans, Business, Education, and Help are in the center. On the right, there are 'Sign up' and 'Log in' buttons. The main headline reads 'What will you design today?' in a large, bold font, with 'design' in a vibrant purple. Below this, a sub-headline states 'With Canva you can design, generate, print, and work on anything.' and a 'Start designing' button is centered. A horizontal carousel showcases various design tools: Social, Docs, Presentations, Sheets, Photo editor, Websites, and Videos, each with a representative image. A light blue cookie consent banner is positioned below the carousel, offering 'Accept all cookies' and 'Manage cookies' options. Further down, a section titled 'Learn by doing with step-by-step lessons, templates, and real-world examples.' features a category filter with 'Everyone' selected. The 'Meet Canva's Visual Suite' section follows, describing it as a visual, AI-powered workspace with a 'View course' button. The bottom of the page is dedicated to learning resources, featuring four cards: 'Canva essentials' (exploring basics), 'Uploading and editing photos on mobile' (touching up photos), 'How to use the principles of design' (learning balance and contrast), and 'Customizing templates' (editing layouts and colors). Each card includes a brief description and a button to 'View course', 'View lesson', or 'View activity'.

Canva

Metric	Score
Overall	81/100 — Great
Typography	88/100
Color & Contrast	92/100
Layout & Structure	58/100
Responsive	77/100
Accessibility	94/100

Recommendations

- Optimize whitespace and layout structure; use semantic sections and consistent spacing.
- Add or refine responsive breakpoints and viewport meta for small screens.
