Title: Canva: Visual Suite for Everyone

The screenshot shows the Canva homepage. At the top, there's a navigation bar with links for Design, Product, Plans, Business, Education, and Help. On the right, there are Sign up and Log in buttons. The main headline reads "What will you design today?" with a subtext "With Canva you can design, generate, print, and work on anything." Below this is a large purple "Start designing" button. A horizontal banner features seven colored boxes representing different tools: Social (red), Docs (teal), Presentations (orange), Sheets (blue), Photo editor (pink), Websites (purple), and Videos (yellow). Below the banner, a cookie consent message asks for permission to use cookies to improve the user experience. It includes buttons for "Accept all cookies" and "Manage cookies". Further down, there's a section titled "Meet Canva's Visual Suite" with a "View course" button. The page then displays four cards with titles: "Canva essentials", "Uploading and editing photos on mobile", "How to use the principles of design", and "Customizing templates". Each card has a corresponding "View course" or "View lesson" button.
